Student Council

The student council was very busy this year. The largest job of the year was rewriting their constitution. They planned the Christmas party, where kids could watch a movie, play in a basketball or a ping-pong tourney and have pop, candy bars &/or popcorn. They had cake raffles and bake sales throughout the year to raise money. The Winter Dance was sponsored by them as well as the Jr. High Basketball Tourney. Two meeting per month were held, one during the school day and the other at night. They attended two District 5 meetings and made a visit to Columbus High School to see how their St. Council worked. The student council had a successful year, we would say.

This year the annual staff had a hard year working on the annual with only three people in the class the first semester. We worked on the annual and worked on the Cat's Roar every month. With only three people it took a long time getting things done but we made every deadline. We gained a fourth person second semester and it helped a lot.

Busy is the best word to describe the Wildcat Club this year. The decision not to have cheerleaders changed the format of how things got done this year.

All letter winners are automatically members and others can volunteer to be members on the Wildcat Club commission. They are headed by Pat Vest & Becky Carlstrom, sponsors. Pep rallies, locker tags, and the parent's nights are planned by the commission.

The biggest project was the planning of Homecoming activities as well as the Sprit Weeks for each sport season.

Fund raisers for the group included a sponge throw at Polk Days, car bash at Homecoming, a Kiss the Pig contest, & pizza sales. All in all-Wildcat Club had a great year!!

The Dance

Looking back on the memory of the dance we shared 'neath the stars above
For a moment all the world was right
How could I have known that you'd ever say goodbye

And now I'm glad I didn't know
The way it all would end the way it all would go
Our lives are better left to chance I could have missed the pain
But I'd of had to miss the dance

Holding you I held everything
For a moment wasn't I a king
But if I'd only known how the King would fall
Hey whose to say you know I might have chanced it all

Yes my life is better left to chance
I could have missed the pain but I'd of had to miss the dance

The Senior Survey was just given to the seniors and they predicted their classmates future. The Survey Says ... was given to all the students in the school and they chose the requested couples. Many jobs are done around the school that no one knows for sure who does them, but the school would not run as smoothly if they aren't done. We thank all these people on these two pages for their dedication and hard work throughout the year.

The influence teachers have on the lives of students is not immediate, but as the years go by, reflections of what has been learned will come back into your minds and lives.

Thank you Teachers.

Washington DC Trip

April 13 - 16, 1992 found eleven Polk-Hordville Juniors and Seniors and one sponsor in Washington, DC. The trip allowed them to see as much of our nations capital as possible in four days. The students were on the go from early morning until lights out each night. Three days were spent in DC and the fourth day in Williamsburg.

A few of the sites included were monuments and memorials, the capital, the F. B. I. building, the Navy Museum, Arlington cemetery, and the Mall area. The last day found them in the restored town of Williamsburg to see how the early colonists lived in the 1700's.

Students participating were: Brad Anderson, Teri Coover, Russ DaMoude, Val Ellison, Kris Lindburg, Justin Recknor, Shane Samuels, Angi Shenk, Alicea Stewart, Gene' Stevens & Tyson Veit. The sponsor was Mike Lind.

WALSWORTH PUBLISHING COMPANY / MARCELINE, MISSOURI 64658

Colophon:

Facts about this annual are: It was created by: Mitch Hahn, Scott Hoffman, Laurie Stevens, Heidi Meerkatz, & Linda Gilson, Advisor. Printing was done by Walsworth Publishing Company of Marceline, MO. Greg Adams was the sales representative. This 5th edition was sold for $15 or $17 personalized. The laminated cover was created by the Annual Staff and the Walsworth Company Art Department. The colors used, Burgundy and Indigo, were also the senior class colors. The division pages, endsheets and artwork throughout the book was a total staff idea. Four-color processing was used in the third signature. The annual was printed on 80-bound enamel paper. The endsheets and Mini Mag section are printed on Heavenly Blue recycled paper. The Mini Mag was done through surveys given to the student body &/or seniors. Pictures were acquired from the annual staff and magazines. The body copy was set in 10-point Bauhaus and captions were set in 8-point Bauhaus. Other copy was 48, 36, 30, 24, 18, or 6-point using typefaces: Bauhaus, Kabel, Jefferson or Souvenir. All copy was done with the Comtran computer program. The pictures used in the book were taken by the annual staff, people who went to Washington D. C. and local newspapers. The processing of pictures was done through Walgreen Drug Store in Grand Island, NE or the Central City Mall in Central City, NE. The underclassmen class photos were taken by Life-Touch. The group sports photos were taken by Connie Swamson Photography in Grand Island, NE and Yary Photo & Trophy in Kearney, NE. Senior poses were captured by Hal Maggiore, Abbott's, Bailey Photo, T & L Photography, Tammy's, and Regency Portraits Studios.
